PROJECT DESCRIPTION

This is a General Plan Amendment to amend a portion of the Centennial Hills Sector of the General Plan from L (Low Density Residential) to SC (Service Commercial) at 7204 West Craig Road. An associated request to Rezone (ZON-35867) the site from R-E (Residence Estates) to C-1 (Limited Commercial) has also been submitted, to be consistent with the proposed land use designation. The subject site has a current land use designation of L (Low Density Residential), is zoned R-E (Residence Estates) and contains a single-family residence. The proposed land use designation of SC (Service Commercial) would allow uses that are compatible with the existing surrounding land uses and staff is recommending approval. If denied, the associated Rezoning (ZON-35867) would have to be denied, and the site would remain as a single-family residential use.

ISSUES

- The proposed SC (Service Commercial) General Plan designation is consistent with the proposed C-1 (Limited Commercial) zoning district proposed in Rezoning (ZON-35867), which will allow more intense uses and would be compatible with the surrounding commercial land uses; therefore, staff is recommending approval of the request.
- Approval of an associated Rezoning (ZON-35867) is required, if this request is approved.

<i>Pre-Application Meeting</i>

Topics included:</p> <ul style="list-style-type: none"> • Title 19 Zoning Code Requirements • Meeting Dates and Deadlines • Submittal requirements for associated applications to Rezone and Site Development Plan Review for a proposed 2,772 square-foot Restaurant with a Drive-Through were also discussed.

<i>Neighborhood Meeting</i>	
09/23/09	<p>A neighborhood meeting was held on Wednesday, September 23, 2009 at 6:00pm at the Justice Myron E. Leavitt Middle School, Student Theater, located at 4701 Quadrel Street, Las Vegas, 89129. Four members from the applicant attended the meeting along with one member from the Ward 4 City Council office, one member of the Planning and Development staff, one member of the County Liaison office and 29 members of the public.</p> <p>During the meeting the following issues were raised by the public:</p> <ul style="list-style-type: none"> • The principle objection voiced was that the use is incompatible with the adjacent pet cemetery; the drive-through loudspeaker and fast-food smells will disrupt services and take away from the tranquility of the cemetery. • Commercial uses west of Tenaya are inappropriate and inconsistent with previous land use actions. • There are three existing fast-food restaurants in the vicinity, and there isn't a need for another one. • The 24-hour operation of the drive-through will bring additional traffic and crime, and will disrupt the residential properties in the vicinity.

	<ul style="list-style-type: none"> Members of Metro were in attendance, and noted that horses used in mounted patrols and K-9 unit dogs are buried in the cemetery, and that the fast-food restaurant would be inappropriate adjacent to the cemetery. It was noted that human remains are also located within the pet cemetery, and that the applicant should notify family members of the deceased of the proposed construction of the fast-food restaurant. <p>Residents stated that the applicant was aware of the existing land use designation and zoning when he purchased the property, and should maintain the existing approvals for the site, but that more intense commercial uses would be inconsistent with abutting properties.</p>

ANALYSIS

The subject site is located in the Centennial Hills Sector of the General Plan and has a current General Plan designation of L (Low Density Residential). This is a proposal to amend the General Plan designation to SC (Service Commercial). The Service Commercial category allows low to medium intensity retail, office, or other commercial uses that serve primarily local area patrons, and that do not include more intense general commercial characteristics. Examples include neighborhood shopping centers, theaters, and other places of public assembly and public and semi-public uses. This category also includes offices either singly or grouped as office centers with professional and business services. The Service Commercial category may also allow mixed-use development with a residential component where appropriate. The proposed Service Commercial General Plan designation is compatible with the existing surrounding cemetery, residential and commercial uses.

A companion application has been submitted for a Rezoning (ZON-35867) from R-E (Residence Estates) to C-1 (Limited Commercial), which is consistent with the proposed SC (Service Commercial) General Plan designation; therefore, staff is recommending approval of this request.
